Sheriff's Office Considering Substation for Centerville

Centerville may be the location of a new sheriff's substation, it was indicated this week, following a visit to the town Wednesday by Sheriff H. P. Gleason, members of his staff, and Supervisor Chester E. Stanley.

For some time, due to increasing requirements of the sheriff's office in Washington Township, need for a substation has been felt here.

At the luncheon meeting of the Centerville Chamber of Commerce it was pointed out that Niles had been considered as a location but it was found that radio reception there was not good. In Niles the county owns the property on which the jail is located.

After it was stated at the Chamber meeting that the county quite possibly would locate the substation in Centerville if a suitable site were made available, President Dallas Paul appointed a committee to study sites and confer with Sheriff Gleason Wednesday afternoon.

The committee consists of Louis Cardoza, Allan Walton, A. E. Alameda, L. S. Williams, Charles Wauhab, Judge Allen G. Norris and Fred Rogers.

Location selected by the committee is the property of Allan Walton at the rear of the firehouse. Presently this is not accessible, but Walton stated that he would give the property to the county if a street were put through by the county.

Although there is no official opinion as yet, indications point to a favorable consideration by the county.

The proposed substation structure would be 40x60 feet in dimension, with rooms for an office, radio station, and jail.

Suggestion that passenger zones on Main Street be moved to accommodate the Peerless Stages, which now use another depot, was voted down by the Chamber. The majority opinion held that the buses inconvenience traffic in Centerville, hinder parking for shoppers, and should not be allowed reserved curb space.

MOTHER SERAPHINA, CONVENT FOUNDER, LAID TO REST

Mother Seraphina, 94-year-old co-founder of the Dominican Convent at Mission San Jose and one of the outstanding women of the Dominican Congregation, died at Mission San Jose Monday and was accorded final rites there Wednesday.

She had been superior general of the order for many years, and had been bedridden for the past six months.

Services were conducted at the Dominican Chapel at 9:30 a.m. Wednesday, and interment was at the Dominican Cemetery, where she was laid to rest beside Mother Pia and Mother Amanda, cofounders of the order at San Francisco and at Mission San Jose, who died several years ago.

Daughter of a New York jeweler, Mother Seraphina arrived in San Francisco in 1877 with Mother Pia and Mother Amanda to establish the congregation at the Immaculate Conception Academy at 1212 Guerra Street, its present location. The trio founded the Mission San Jose order about 1890.

Mother Seraphina succeeded Mother Pia as superior general in 1925 and remained in this position until 1937. She established several schools in Mexico, opened the Sacred Heart Convent in Los Angeles, pioneered many activities of the order and taught music, art, and elementary classes at the Dominican School in Mission San Jose.

She is survived by a first cousin, Sister Blandina of Mission San Jose, and other relatives in New York City.

She was Crecencia Maerz when she entered the Dominican Order as a young girl.

IRVINGTON SEEKS HOUSE NUMBERS

Numbering of houses in Irvington was undertaken at Tuesday's luncheon meeting of the Chamber of Commerce at Vilela's. Appointed to do the job by President Rowan Henry, who will also serve on the committee, were Allan Hirsch and Jack Holland.

The three officers of the Junior Traffic Patrol of the Irvington Grammar School, which won third place in county-wide competition at Livermore last week, will be guests of the Chamber at next week's meeting.

'LIONS LAFFS' TO BE STAGE HIT

The "Lions Laffs," sensational vodvil show to be put on by the Centerville Lions Club on the nights of May 5 and 6 at the Washington High auditorium, will feature entertainment the like of which you have never seen before.

For example, you may have seen the Ballet Russe, but until you have seen the Ballet Centerville—comprised of such outstanding ballerinas as Jud Taylor, Don Wolfe, Clyde Voorhees, Jed Oxborrow, Stebler Loze, and Bob Moore—you haven't seen anything yet! Nijinsky, the most outstanding ballet artist of all time, eventually went crazy from doing ballet! What will happen to the Centerville artistes? We can scarcely wait until the nights of May 5 and 6 to see!

WHAT A DUO!

One of the other outstanding acts is the dance duo—Hird and Wolfe. They are not Veloz and Yolanda; they are not Astaire and Rogers. They are just Hird and Wolfe. But isn't that enough?

One of the real highlights of the program will be the quartet singing by Jerry Meekins, Earl Mackintosh, Kenneth Berg and Gerald Rehrig. Let's not be modest, they're BETTER than the Ink Spots!

There will be a number of other entertaining acts including a skit on "the old family album."

AN EMCEE TOO

The master of ceremonies for this hilarious show is none other than the popular Johnny Williamson, whose flair for keeping things moving on stage is well-known throughout these parts. And Dwight Thornburg, who has directed the high school Vodvil, is also directing the "Lions Laffs." Nuff said!

All in all, the audience is in for a gay and vastly entertaining evening. Moreover, the small admission fee charged goes to an extremely worthy cause. All the proceeds from "The Lions Laffs" will swell the coffers of the Lions Club Eye Correction Fund for needy township children. So the "Lions Laffs" will be an eye-opener in more ways than one!

LOCAL MINISTERS OPPOSE SUNDAY COASTER DERBY

Eight clergymen of Washington Township this week voiced strong objection to holding a Coaster Derby scheduled at Hidden Valley, near Warm Springs, on Sunday, June 19. The derby is a project of the Newark Chamber of Commerce, to be held for the financial benefit of the Newark Youth Center.

The local pastors, represented by Howard Steward, minister of the Centerville Presbyterian Church, wrote the derby committee:

"We are deeply concerned over the fact that the Derby is scheduled for Sunday, June 19, 1949. Inasmuch as our various religious services run from 8 a.m. until 12:15 p.m. on Sunday, the time and date of the derby would interfere with the religious education of the youth of the area.

"In view of the foregoing, we respectfully request that the date of the derby be changed to some other day other than Sunday, such as Saturday, June 18. Such a change would eliminate any interference of the youth attending religious services. If, however, it is impossible to change the date, it would greatly help if the starting time of the derby were changed from 10:00 a.m. to 2:00 p.m."

Churchmen concurring with Mr. Steward in this expression are:

Father O'Connor, The Church of the Holy Ghost, Centerville.

Rev. Arthur Freeman, Episcopal Church, Centerville.

Rev. Donald Kirkbride, Congregational Church, Niles.

Rev. H. H. Burgess, Assembly of God, Centerville.

Rev. Fred Hahn, Full Gospel Temple, Niles.

Dr. John M. Peffers, Presbyterian Church, Newark.

Mr. Richard Harris, Presbyterian Church, Irvington, and

Mr. Howard Steward, Presbyterian Church, Centerville.

Donald Dias, chairman of the coaster derby committee of the Newark Chamber of Commerce, told The Register that, although the recommendations of the church leaders have been considered, the arrangements for the event will proceed as planned.

Commitments have been made, Dias explained, which cannot be revoked. Sunday is the only day on which the event can be held, since a number of sponsors and committeemen do not have Saturdays free.

As for the hours, Dias stated that it will be necessary to start the time trials at 10 o'clock in the morning in order that the final event can be run before dark.

"This project is for the benefit of the Newark Youth Center," he said, "which is an entirely worthy project supported by the Chamber of Commerce. A great deal of time and expense is involved, and the event is a good, wholesome youth activity. No conflict with any church service was intended. We plan to continue according to our original schedule.'

The pastor's objections, however, are entirely as to time of the event. Mr. Steward's letter stated: "We feel that this is a worthy effort and deserves everyone's support—if it is conducted at an appropriate time."

RITES TODAY FOR IRVINGTON WOMAN

Final rites will be held today (Friday) at 2 o'clock at the Berge Mortuary in Irvington for Mrs. Dolly A. Fisher, 55, who dropped dead of a heart attack in Irvington on Monday. She was a resident of Irvington for 20 years.

She is survived by her husband, James Fisher, and by a son, Lyle Fisher of North Hollywood, and by relatives in the east.

Burial will be at Oak Hill Cemetery in San Jose.

TRIP FOR GARDENERS

The garden class of Washington Union High, under Mrs. Helena Wolf, is planning a trip for the near future to the Arboretum in San Francisco's Golden Gate Park.

Marlene Roche, Centerville Elementary School student, was this year's first prize winner of the Third Annual Township Register Spelling Bee held last Friday at the Washington Union High School. The young lady won $15 for herself and possession of The Register trophy for her school.

Centerville Girl Wins Third Annual Register Spelling Bee

Marlene Roche, eighth grade student at the Centerville Elementary School, spelled down all other elementary school students competing in the big Township Register Spelling Bee last Friday evening at the High School, to cop the $15 first prize for herself, and the golden trophy for her school. Coming in a close second was Philip Gerrard of the Niles school who won the $5 second prize. Little Miss Nadine Millard of the Mission San Jose school ran away with third place honors, and won the $2.50 prize.

The prizes were awarded by L. R. Batman, publisher of The Township Register, which has sponsored the increasingly popular event for the past three years.

All of the children who participated were awarded free passes to the Centerville show, through the courtesy of Mr. Morris, manager of the theater.

Marlene, who faced the audience without any sign of nervousness, spelled one word after another with scarcely any hesitation. She is obviously one of those rare individuals, a "born speller." There was considerable excitement and tenseness in the air when she and Philip were the sole remaining contenders. Both are such good spellers that it was anybody's guess as to the outcome.

Preceding the spell-down, two of our township's talented young people, Lorraine Brown and Anthony Faria, performed on their accordions, much to the delight of the audience. Their numbers were followed by marimba solos by the clever Vincent Wallace.

The spelling bee was under the direction of Tom Maloney. Jud Taylor, appearing for the second year as moderator, kept the ball rolling with his entertaining and lively way of giving the words to the youngsters.

Judges for the contest were Judge Allen G. Norris of Centerville, Judge E. A. Quaresma of Niles, and Warren Gravestock, vice-principal of the high school.

This is the first year that Centerville has had the trophy in its possession. It was won in previous years, first by Newark, and last year by Niles. The school winning it two years in succession will be allowed to have it in its permanent possession.

NILES FIREMEN WANT PROPERTY

In an effort to purchase part of the Southern Pacific property on Main Street as a site for a new fire house of Niles, Fire Commissioners Jack Alberg and Leon Solon, accompanied by Fire Chief Clarence Crane, went to the office of the Lands Division and Real Estate of the Southern Pacific this week and put their case before those in charge of the department.

Although the firemen emphasized the need for a new fire house in Niles and the desirability of having it on the property held by the Southern Pacific, the S.P. officials were non-commital at the interview. They didn't hold out much hope, maintaining their customary stand that "the company needs the property."

NILES DAY SUNDAY AT HEARST RANCH

Once more that time of year has rolled around again. We're speaking of spring, and of vacation days ahead, and—most imminent—Niles Day at the Old Hearst Ranch.

Each year Niles has its own special day. This year it is this Sunday, May 1. As usual, breakfast starts at 10 a.m., with the broadcasting following. And also as usual, several Niles people will likely be up before the "mike," telling about the beauties of our little town, and of the advantages of living here.

There will also be a golf tournament for Niles golfers. John Brahmst, president of the Chamber of Commerce, has volunteered to take on all comers.

From all reports, there will be a large contingent of Niles people up there this Sunday for the breakfast and the broadcast fun.

MEMBER OF PIONEER FAMILY SUCCUMBS

A member of one of the township's oldest families, Mrs. Lena Decoto Blacow, 85, was laid to rest in Irvington last Wednesday, following her death on April 22 at Fort Wayne, Indiana, where she had been living with her daughter, Mrs. Sarah B. Straub. Funeral services were conducted in Niles at the Berge Mortuary Company.

A daughter of the late Adolphus and Elizabeth Decoto, the deceased has two surviving sisters, Mrs. S. B. Vandervoort of Niles and Mrs. Sara Waldron of Centerville. There were seven other children, all of them deceased.

Mrs. Blacow was born in San Leandro. The family later moved to Irvington to what is now known as the Bracker ranch. She lived there until she was married to Richard Blacow, who took his bride to his home in Centerville (now the Davilla place). The couple had five children: Robert Blacow, now manager of the Niles branch of the Central Bank; Mrs. Helen B. Frizell of Tarzana, Mrs. Straub of Fort Wayne, and the late Alma and Richard Blacow.

A charter member of Orient Chapter, O.E.S., the deceased lived in the township until she sold the family home and moved to Indiana, about 19 years ago.

ACHIEVEMENT NIGHT HONORS CUB SCOUTS

Monday evening was Achievement Night for Cub Scouts of Centerville. A display of craft work was organized and awards presented at the Elementary School to the following boys:

Bobcat pin, Manuel Arias; assistant denner stripe, Gary Bettencourt; Wolf badge, David Davilla; and Webelos, Don Gravestock and David Amaral.

Freeway Plans North Of San Jose Outlined

Surveys and studies preliminary to laying out the route of the Eastshore Freeway north from San Jose will start within the next two or three months, according to Col. John H. Skeggs, district highway engineer of the California Division of Highways. This announcement was made at a public hearing Wednesday afternoon at the Warm Spring Grammar School.

The hearing, first of its kind to be held in California in line with a new policy of the Division of Highways, was called to acquaint the public and officials of the area through which the new freeway will pass.

SECOND STEP

The projected construction from San Jose to the vicinity of Warm Springs will be the second major step in the freeway plan. Presently work is progressing south from Oakland, and the route has been surveyed as far south as Beard Road between Alvarado and Centerville.

After the northern and southern units are completed, the third step—joining the two extensions from Oakland and San Jose—will be constructed.

Col. Skeggs and his staff of engineers at Warm Springs told those attending from both Alameda and Santa Clara counties that 11,5(vehicles per day are passing Warm Springs on the present two-lane highway. This amounts to twice the traffic volume normal for a 2-lane highway.

PROBABLE ROUTE

Probable route of the new freeway would pass Milpitas three-quarters of a mile to the west, and Warm Springs about a mile and a half to the west. It would eliminate the three present railroad crossings and provide relief of existing traffic side-pressure at Milpitas with an overpass or underpass.

Some argument developed at the hearing in regard to the routing of the freeway access road from the direction of Mission San Jose. Col. Skeggs suggested that it might be wise to give entry to the freeway by a new road constructed on the side of the Warm Springs school opposite the present highway.

Orville Leitch, clerk of the school board, argued against such a plan, stating that it would create another traffic hazard for school children and destroy some valuable orchard land. Col. Skeggs said the advantage of the plan would be in cutting down distance.

Representatives from San Jose stated that the Eastshore Freeway is that community's number or highway project and urged i earliest construction.

SPRING ROUND-UP PROMISES LIVELY LIVESTOCK SHOW

The Third Annual Spring Round-up of the Future Farmers of Washington High will be staged on Saturday afternoon, May 7, in the stadium at the high school—presenting parades, exhibits of horsemanship, the crowning of a queen, and a number of other colorful events.

It will be a full day for those interested in livestock and horse shows. In the morning at 10 o'clock judging will begin. At 12:30 the afternoon program will start off with a project parade, when the Future Farmers will exhibit their animals.

Then comes the grand parade, with floats, horses and bands. And this will be followed by the coronation of Queen Rosie Santos of Mission San Jose, attended by Thelma Costa, Doris Holt and Margaret Cole—the three young ladies who were runners-up in this week's queen contest.

Following the awards and presentations will come a lively, professional calibre horse show which will include a pleasure horse contest, open to everyone, a fine harness demonstration by Mrs. Anderson of Pleasanton, a trick riding and roping demonstration by Salvador Galvan, horse races, a jumping horse demonstration by the Mills College Riding Club, and several more races.

QUEEN ROSIE SANTOS, who will reign May 7 at the Spring Round-up of the Future Farmers at the high school stadium.

Last year more than 1500 attended the Spring Round-up, and this year the crowd is expected to pass this figure.

General chairman for the event is Vernon DeValle, assisted by the following committeemen: Marcus Galvan, Norman Goossen, Ernest Kinzli, Joe Perry, Robert Cotton, Howard Hallford, Arnold Silva, Edward Estacio and John Castleman.

Judges will be: poultry, a representative of the Kimber Poultry Farm; beef, Dale Caruthers; swine and sheep, R. H. Whipple; dairy, Robert Zwissig.

Adviser of the Future Farmers at Washington High is Jed Oxborrow.

TRAFFIC VIOLATORS TRIED AT SCHOOL PROGRAM

Schools Week was celebrated yesterday at Mission San Jose's grammar school with a combined student body meeting and program in the afternoon. After a program of rhythmic music and songs by the first three grades, and a skit by the 4th, 5th and 6th grades, the 7th and 8th grades presented a student body trial of ground patrol traffic rules violators.

CAFETERIA OPENING

Principal Gus Robertson of Irvington Grammar School expects the new cafeteria to be opened and in use next week. A housewarming party is being talked about for the near future.

IRVINGTON THIRD IN TRAFFIC REVIEW

Irvington Grammar School placed third in the annual Traffic Patrol Review, held at Livermore High School on April 22, the only township school to be numbered among the prize winners.

Castro Valley took first prize and St. Michael's of Livermore second.

Judges of the marching formations and drill exercises this year left a large question mark in the minds of spectators by their two top awards.

Alvarado, last year's winner, did not receive an award despite the precision of its marchers. Irvington, in the view of many, should have placed higher, and those with this opinion agreed that a decision between Irvington and Alvarado was a toss-up.

The school patrols and bands enjoyed a feast on the Livermore High grounds after the review, and a swim in the school's new memorial pool.

HEALTH CHECK-UP FOR PRE-SCHOOLERS

A summer round-up, or health check-up, will be given free of charge next Tuesday, May 3, at the Irvington school for children who expect to enter school for the first time, either in the kindergarten class or the first grade. A child should be four and a half years of age on or before next September 6 in order to attend school.

The physical check-up will be given by Dr. E. M. Grimmer. The hours are from 10 to 12.

How your HOME FREEZER PROVIDES BETTER MEALS AT LOWER COST

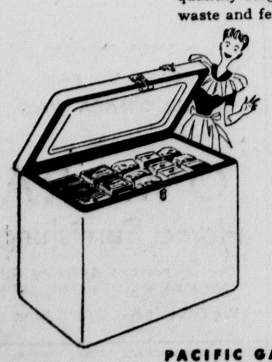
Thousands of California homemakers are serving meals of more variety and better quality—all at a substantial saving through the thrifty use of their Home Freezers. And here is how you can do it, too.

More Variety You can freeze almost any kind of meat, fish, poultry, fruit and vegetables. Thus Spring Lamb and summer fruits and berries can vary the winter menus.

Better Quality You can buy fresh foods at their peak-of-season flavor and quality, and you preserve them at their best by quick freezing. More of vitamins, so necessary for good health, are retained.

More Convenience It is like having a market in your own home when you have a well-stocked Home Freezer. And how convenient that is! Here are foods for box lunch meals, from sandwiches to dessert, all ready to pack in a hurry. Or complete meals, cooked, ready for heating and eating including many kinds of baked foods. And there are party foods for special occasions or for unexpected company.

Greater Savings Buying in a larger quantity at low prices saves money. Leftovers frozen for later use eliminates waste and adds to meal variety. Many users say their home freezers have paid for themselves these three ways—through quantity bargain buying, elimination of food waste and fewer shopping trips.



Preparing food for home freezing is not difficult to do. Detailed instructions come with the Home Freezer you buy. Ask your electric dealer about a Home Freezer of adequate size to fit the needs of your family.

ANSWER TO A REAL PROBLEM

As everyone knows now, the most important factor in the future prosperity of Southern Alameda County is water. In the past several years there has not been sufficient water in this area for normal agricultural requirements.

It was partly in view of this fact, and also in anticipation of certain growth here, that Assembly Bill 1431 was introduced into the California legislature. Passage of this bill would result in establishing a county-wide drainage and water conservation district. In strong support of this project are the Land Development Committee of Alameda County, County Surveyor Wallace Boggs, and the entire Board of Supervisors.

Yet the proposal has met with no active support in the rural areas of Alameda County, which is the region most concerned. On March 10 a meeting of leading southern county agriculturists and large land-owners was held at Niles, and a committee was appointed to scrutinize Assembly Bill 1431 and make recommendations for possible revisions.

The committee, after a month and a half, has made no report. This indicates calculated delay, which amounts to actual opposition to the proposed district. It also indicates a weakness of argument; if there were serious objections we believe they would be expressed.

So the situation indicates that there are no sound objections in principle to setting up such a district. No doubt the proposal could be improved in detail—but not in fundamentals.

Opponents, either tacit or outspoken, object mainly to the fact that a tax would be necessary to carry out various projects in the proposed county-wide district. Mostly, these opponents are large land owners, well off financially, and fearful of a few cents more on their tax bills. They are inclined to forget that Southern Alameda County needs the development of new water sources, and that this will have to be paid for out of taxes. Since their interests are primarily agricultural, they overlook entirely the drainage needs of Alameda County, which are seriously hampering subdivision development in certain low areas of this section of the county.

As for the drainage problem, County Surveyor Wallace Boggs has said: "The interrelation of drainage areas and the rapid physical development in all parts of the county make advisable county-wide studies and correlated designs, rather than programs limited to specific drainage areas. The obtaining of state and federal aid in connection with phases of flood control involves the formation of a political subdivision with broad powers to perform all the necessary acts and to provide for the necessary financing in connection with the required operations."

The same factors relate to the problem of developing new sources of water for Alameda County.

One objection to the district as proposed has been that its directors would be our county Board of Supervisors. This argument is nothing less than petty. We entrust the business affairs of our county to our supervisors, and any argument questioning their capabilities is an argument against the intelligence of the electorate—the people.

Our Board of Supervisors, in fact, has painstakingly sought the opinion of the people of the rural area of the county, with a view to recommending any sound revisions proposed for the bill.

Silence indicates the weakness of the opposition case.

We need a county-wide drainage and water conservation district. Assembly Bill 1431 should be passed by our state legislature.

NEW DEN MOTHER

Mrs. Dorothy Spier of Centerville is being welcomed into Cub Scout work. She succeeds Mrs. Paul Simpson, den mother, who has moved away.

BOARD MEMBERS CALL

An inspection visit, in line with Public Schools Week activities, was made at Alvarado School on Monday by four members of the Alameda County Board of Education. They were Miss Genevieve McKeever, George Furbush, E. Dixon Bristow, and Superintendent Vaugh D. Seidel. All commented on the school's efficiency.

HIGH CHATTER

By MARGARET COLE

Anticipation of the Spring Round-up, hopefully scheduled for May 7, is noticeably lightening the heavily studious atmosphere attendant on the beginning of a new report period. The four potential Round-up queens may now quit biting their nails and relax in the comforting assurance that Rosie Santos will do a first-rate job as Queen for the day. Rosie, a shy but charming Senior, was elected by student ballot Tuesday. Congratulations!

No, you're not "seeing things." If you're worried about that flutter of silks and ribbons and the twirl of a green skirt ducking hastily around a corner, it's just Coaches Taylor, Wolfe and Voorhees self-consciously trying to find a little privacy in which to practice for the "Lions Laff."

That four-starred sweater that Thelma Costa's sporting these days is really something, isn't it! It's her very own. In fact, she and Bobbie Cotton are the only Girls' W Club members who have earned them to date. More congratulations!

That was a very satisfactory assembly last Monday. Mr. Christian's pictures and lecture on Northwest Canada were delightful. All that and Crosby too!

It was good to see Seniors Sal Guerrera, Joelle O'Neill and Betty Allender receive official recognition for their efficient work as stage crew manager and members of the costume department, respectively.

The band made a trip to Livermore last Saturday to play for the Junior Traffic Patrol. Dolly had a wonderful time. Can't imagine why she's so eager to go back again unless that wonderful high school pool is the attraction.

Can anyone put the finger on the nit-wit who put a jar full of water in an upside-down drawer in the chemistry room? Several people who were around when the drawer was opened would like to know.

TOUR TO STUDY FORAGE CROPS

A second tour to show more results of fertilization and planting of forage crops has been called by Farm Advisor Lee Benson for tomorrow morning (Saturday), starting at J. L. Martin Ranch in Cull Canyon at 9 a.m. Results of irrigated and dry-land fertilization will be shown, as well as the plantings of dry-land pasture varieties. The information to be shown as follows:

9 a.m.—J. L. Martin, east side of Cull Canyon Road, 4.2 miles north of Crowe Canyon Road. (Dry land pasture fertilization.)

9:55 a.m.—R. R. Root, Patterson Ranch Road, Newark, 2 miles west of Ranch Road. (Irrigated pasture fertilization.)

10:25 a.m.—L. E. Silva, Dry Creek, Decoto, ½ mile east Route 9. (Dry-land pasture fertilization.)

10:50 a.m.—Zwissig Bros. Dairy, ½ mile south of Decoto on west side Route 9. (Irrigated pasture fertilization.)

11:25 a.m.—John Coelho, east side Route 9 at Junction of Durham Road, 2 miles osuth of Mission San Jose. (Dry-land seeding with legumes and grasses.)

E. A. ELLSWORTH GOES TO HOSPITAL

E. A. Ellsworth, pioneer Niles business man, was taken to Alameda Hospital Wednesday suffering from an illness that will probably keep him confined to the hospital for some time. His real estate and insurance business is being carried on by his son, Vernon.

PERKINS IS BACK ON AG BOARD

Reappointment of Clarence G. Perkins of Centerville and Ernest A. Wente of Livermore to the Board of Directors of the First District Agricultural Association of Alameda County, was announced today by Governor Earl Warren.

Perkins, whose term will end in January, 1953, is president of Jackson and Perkins Co., rose growers. Wente, president of Wente Brothers Winery, will serve until January, 1952.

LAUNDRY DEMONSTRATION AT CENTERVILLE MAY 5

A demonstration of home laundering and ironing will be given Thursday, May 5, at the Centerville Electric and Pump Company in Centerville, according to A. S. Enos, proprietor.

Miss Dorothy Holland, laundry expert, and Mrs. Juanita Lease, home service adviser, will demonstrate the newest in equipment and methods.

The demonstration, to which all women are invited, will be at 1:30 o'clock in the afternoon.

FUTURE FARMERS COLLECT CHECKS

The Future Farmers organization of Washington Union High School contains quite a group of young capitalists, it was made known by Advisor Jed Oxborrow this week.

Take Norman Rose, for example. In the Future Farmers of America he has achieved the highest state awards. But that's only part of the story. This week he collected a check for $3,222.89 for 12 steers exhibited at the Junior Grand National Livestock Exposition at San Francisco.

Norman started in the cattle business four years ago with one steer. In the intervening time, Oxborrow figures, the boy has netted about $3,000.

Vernon DeValle of Newark did pretty well at the exposition, too. He sold seven prize steers for $1,811.08.

Other Future Farmers, and their proceeds from sale of stock exhibited are: Robert Lofton of Mission San Jose, $40.20 for a hog; Vincent Wallace of Centerville, $20.62 for a lamb; and Marion Hermoso of Alviso, $21.02 for a lamb.

READERS WRITE US

Dear Mr. Batman:

In behalf of the students of the Centerville Elementary School, I wish to thank The Township Register for sponsoring the third annual Township Spelling Bee.

I hope you'll sponsor another contest next year.

Yours truly,

The Editor, Sir:

Speaking for a group of Newark mothers, I wish to express our appreciation and gratitude to Mr. Anthony Cunha, traffic guard at the Newark Grammar School.

Mr. Cunha is wonderfully kind to our children and is always watchful of their safety. We have noticed that he treats all children alike, regardless of race or color.

We also wish to compliment him on his courtesy and neatness.

Thinking Things Over...

By VIVIAN BATMAN

I knew the day would come when I could stand it no longer. I mean those articles in magazines that constantly bombard females of the country with suggestions on how to get a man."

Today I am going to explode. It's time that at least one female came forth and defended her sex. Why all those tons of literature on how to get a man, when nobody—absolutely nobody—ever suggests via the printed page that perhaps men could do with a few suggestions on how to appeal to the female?

The assumption of all the magazines seems to be that man can just loll back in comfort and have the women swarming around him with no effort on his part at all! Whereas woman, poor thing, is supposed to devote every waking hour to making herself attractive to man. I ask you, is it fair?

You can read stacks of articles advising women to (a) keep your interest alive in his conversation; (b) try to find out what kind of sports he's interested in and ask him questions about them; (c) try not to talk about yourself, but, on the other hand, get him to talk about himself; (d) play a good game of tennis (or golf, or ping-pong, or shuffleboard) but never beat him; (e) inveigle him into situations where he can show his strength, even if it's nothing more than prying open a bottle cap; (f) ask his opinion about current books, shows, etc.; (g) listen to him sympathetically if he starts to tell you the story of his life, and even attempt a few tears (if the poor guy thinks his life has been a sad one); (h) never argue with him, always assuming that his opinions are infallible.

I could go on with this drivel, but why? Every female who can read has read it in magazines for years. I'll admit that I, too, was persuaded into trying the prescribed technique. I oh-ed and ah-ed, and opened my eyes wide in admiration at some male accomplishment. I said, with breath bating, "Oh, how wonderful you are!' and "My, you must be strong!" I listened to true-life stories by the dozens, becoming properly awed, fascinated, or horror-stricken, depending on the circumstances. I listened, and listened, and LISTENED, until my ears began to stand up like those of a hunting dog! Finally, of course, I nabbed a man. But at what a price!

Frankly, I think it's high time something was done about the men. Is there any reason why they shouldn't listen attentively to women's conversation? (I can hear a thousand yes-es at this point!) Is there any reason why they shouldn't use dentifrices, mouth washes, and spot-reducers in order to captivate and capture some irresistible female? Is there any reason why the ads shouldn't read, "He's engaged! He's handsome! He uses WIFE-JOY soap!"

No, I can think of no reason why a man shouldn't be doing these things. Let the females now sit back and relax, while the men knock themselves out for a while.

Comes the revolution!

BOY PRIZE WINNER

Vernon DeValle, F.F.A. boy from Centerville, came through a winner in the Calf Riding contest of the recent Grand National Junior Livestock Exposition, held at the Cow Palace in San Francisco.

THE YOUNGER SET

PENNY MOORE —Stinhilver Photo

Whatever the joke is, 22-month-old Penny Moore, daughter of Deputy Sheriff and Mrs. Robert Moore of Niles, seems to think it hilariously funny. Perhaps she has just thought up a new and fascinating way of escaping from her back yard and is laughing prematurely over the bewilderment of her parents who will be saying for the umpteenth time, "How in the world did she get out!"

The last time Penny got out to see the world, she managed it by prying off one of the laths on the back fence. Her slim little body slipped through without any trouble at all, and away she went! The Moores have bolted and locked everything in sight, and big Bob has to hurdle a five-foot fence before he can even get off the premises!

Penny's adventures are not limited to the outside world, however, for right in her own home she finds plenty to keep her amused. The cat is her main source of delight. She swings him around by either clutching him wildly by the neck, or by the tail. The cat apparently lives up to his reputation of having nine lives; for he seems to keep on going with perfect equanimity, and, in spite of his young mistress' exuberant attentions, he is her most faithful adorer.

Penny, already in her young life, has developed what is known as a likeable personality. She likes everybody, and everybody likes her. She is especially fond of her big sister, Donna, who is a second mother to her.

Penny's grandparents are Mr. and Mrs. M. Biensteiner of San Francisco, and Mrs. Flora Moore of Oakland.

SUCCESSOR TO E. F. GLASSBROOK NAMED

Clifford K. Dennis, formerly of Randsburg on the Mojave Desert, has assumed duties here as manager of the Public Utilities California Corp. He succeeds E. F. Glassbrook who succumbed recently to a heart disease. Dennis took over the job Monday.

Mr. and Mrs. Dennis are the parents of four children and expect to make their permanent home in Niles. They are presently living in the Sierra Apartments on Santos Avenue.

"I find Niles a very interesting place," said Dennis, in commenting on his arrival here. "Both my wife and I are glad that I have received the appointment here."

FLOWER SHOW NEXT THURSDAY

The W.U.H.S. Adult class in flower arranging will hold its flower show on Thursday, May 5, in the Faculty room between the hours of 1 p.m. and 4 p.m., inclusive. The class has been meeting on Thursdays under the instruction of Mrs. Katherine Power in the high school cafeteria.

SCHOOL COMPLETES RED CROSS WORK

During the year's Junior Red Cross program, pupils of the Centerville Elementary School have contributed substantially in time and skill to the work of various hospitals and children's organizations.

Eighth graders made nut cups, menu cards, and filled Red Cross gift boxes at Thanksgiving, Christmas, and Easter. Members of the menu card committee included Ed King, Marlene Roche, Russell Hayes, and Christina Kempton.

Pupils of the 3rd to 8th grades also filled Red Cross boxes for European children. On that committee were Dick Arington, Edward King, Julia Landizabel, and LeRoy Rose.

An activity just completed by 8th graders consisted of emergency first-aid study. This covered artificial respiration, bandages, slings, and splints.

The absentee ballot was first used during the Civil War, when 11 Union states permitted men absent on army duty to vote.

Mrs. Dora Anderson Returns from East

Mrs. Dora Anderson has returned to her home in Centerville following a six months' sojourn in the east. Motoring back with her from Grand Ledge, Michigan, was her daughter and grandson, Mrs. Ford Byington and Bobby. The Byingtons are planning to make their home in Concord, where Mr. Byington will have the Ford agency.

Bridge Luncheon And Shower

Mrs. Blake Hill and Mrs. R. A. Sparrowe were co-hostesses at a bridge-luncheon yesterday that served as a combination "welcome home" for Mrs. Dora Anderson, who has been visiting in the east, and a baby shower for Mrs. Harvey Granger. About 20 guests were present.

Localites on Trip To European Countries

A two months' tour of several European countries is on the itinerary of Marceille Sullivan and Mr. and Mrs. William Cavanaugh and son, Bill, all of Niles, who left Wednesday on the California Zephyr for New York.

They will spend this week-end in New York, and on Monday will embark by plane across the Atlantic, to arrive in London on Tuesday.

They plan to see Italy, France, England, Belgium, Ireland, Holland and Switzerland. At the end of two months they will return by steamer, the Cavanaughs coming straight on home, and Marceille Sullivan going on up into the Canadian Rockies and across Canada before returning home.

Cozzis to Leave For New York

Mr. and Mrs. R. Cozzi of Niles are in the throes of packing this week, in preparation for a trip to New York. They will leave Sunday, motoring across the country and seeing the points of interest along the way. In New York, they will visit with their son, who is stationed in Brooklyn. They expect to be gone for a month.

Twenty-Fourth Anniversary Dinner

Mr. and Mrs. E. E. Dias of Niles will observe their 24th wedding anniversary this Saturday at a dinner at the International Kitchen. The friends and relatives who will join them for the happy occasion are: Mr. and Mrs. Leon Solon, Mr. and Mrs. Jack Geib, Mr. and Mrs. F. E. Dias, Mrs. Fleecie Gomes, Winifred Dias, Harold Enos, and their daughter, Harriet.

Return from Honeymoon

Mr. and Mrs. Ted Lira have returned from their honeymoon in the southern part of the state to take up residence in one of the apartments above the Niles Electric Shop.

The couple was married at an impressive Easter Sunday ceremony performed at Corpus Christi Church in Niles, with a reception at the Veterans Memorial Building in Niles for a host of their friends.

Amethysts were once thought to prevent drunkenness.

DORA MAE SCUDDER GIVES TALK ON EARLY AMERICAN PRESSED GLASS

Mrs. Dora Mae Scudder was the hostess and speaker at Wednesday night's meeting of the Arts appreciation section of the Country Club.

Mrs. Scudder, after serving refreshments to the members at her attractive home in Niles, gave an illuminating talk on Early American pressed and blown glass, illustrating her talk by showing a collection of beautiful pieces she has collected through the years. Mrs. Edna Ebright's beautiful collection was also on display. Both Mrs. Ebright and Mrs. Scudder have a number of cherished pieces, some of which were collected right in this area.

MRS. MULLER CHOSEN AS DELEGATE TO CHURCH CONCLAVE IN BUFFALO

Mrs. F. A. Muller of Newark will entrain tomorrow (Saturday) on the California Zephyr to attend the annual general assembly of the highest governing body of the Presbyterian Church, to be held this year in Buffalo, New York.

Mrs. Muller was chosen as one of 16 delegates in the San Francisco Presbytery (includes east and west bay). She will stop enroute for a two weeks visit with her daughter in Chicago, and will arrive in time for the convention in Buffalo from May 19 to 25.

Prior to her leaving, Mrs. Muller was the guest of honor at a party given for her by the Missionary Society of the Newark Presbyterian Church, of which she is president. She was presented with a handsome overnight bag by the members of the society as a going-away present.

Sugar and Spice

Mr. and Mrs. Alfred Andrade of Centerville are proudly announcing the birth of their first child, a girl, Linda Carol, born at the San Jose Hospital. The young lady weighed 7 pounds and 3 ounces at birth. Her mother is the former Lorayne Vargas of Warm Springs. Her daddy is a custodian at Washington High.

FASHION SHOW AT THE HIGH SCHOOL

More than 75 girls of the homemaking classes at Washington Union High School will participate in the gala Fashion Show to be presented by the classes next Thursday afternoon, May 5, under the direction of Miss Audrey Carmody, homemaking teacher.

Hostess for the occasion will be Joelle O'Neil. General chairmen are Lena Horat and Laura Mederios. Decorations will be under the supervision of Paula Zumiga and Sumako Tanaka; and Marilyn Belding will be in charge of the invitations and programs. Chosen to be commentators are Annie Navas, Joy Silveria and Laura Emery.

Music will be provided by Vivian Duarte, who will sing two solos, accompanied by Rosemary Trinadade.

DE GUADALUPE HAS ANNIVERSARY

By IRENE MENDONCA

The De Guadalupe Institute of the Y.L.I. celebrated its thirty-third anniversary with a homecoming party on Thursday evening, April 21, at Bolibas Hall in Niles. The affair was in honor of the charter and twenty-five year members, Irene Lenard of Hayward and Irma Brown of the Alviso District, who were presented with lovely gifts in memory of the institute.

The hall was beautifully decorated with deep purple lilacs and pink roses.

Three new members were initiated: Rita Furtado, De Linda Pimentel and Marie Silva.

The evening was highlighted with vocal selections by Elaine Joseph, accompanied at the piano by Margaret Williams. Deanna Mara presented a dance number and there was also pantomimed a boy calling on a girl, and of her difficulties with the early developments of the automobile, with Mrs. Margaret Crane at the piano.

Past presidents of the Institute were hostesses of the evening and in charge of affairs.

IRVINGTON LEADS LEAGUE; TITLE GAME SUNDAY

Perched on top of the Southern Alameda County Baseball League by a one-game margin, the Irvington Merchants, managed by Frank Mayer, will meet Tom Pugmire's Niles Merchants in a game Sunday which may bring league championship to the Irvingtonians. The event will be on the school diamond in Irvington at 2 o'clock.

Last week the Irvington men whipped Ashland by a one-sided score of 16 to 6—the score telling only part of the story.

Ashland, behind the pitching of A. Lopez, who used to pitch for Irvington, took the lead 3-2 in the second and held it until the sixth when Mayer's men scored two runs to make it 4-3.

Lopez blew up in the eighth inning and Irvington made a merry-go-round out of 6 hits to score 12 runs.

That was the story. There was no spectacular hitting. First Baseman Roderick for Irvington made a 2-base hit and Pitcher Lopez for Ashland did likewise.

Strike-outs were even for both pitchers at 7. Dutra of Irvington walked 2 and Lopez walked 5.

Manager Mayer—full of hopes, of course—is not at all overconfident about next Sunday's game. The Niles Merchants have won 4 and lost 2, for a center-spot standing in the league.

BELLARMINE NINE BEATS WASHINGTON

The Bellarmine Bells nosed out the Washington Huskies on April 21 by a 5 to 3 score behind the sensational relief pitching of the Bellarmine ace B. Dolan.

The game went into extra innings as the score was tied at the end of seven innings at three-all. Bellamine scored two runs in their half of the eights to clinch the game. Both Bellarmine and Washington gained five hits off the opposing pitchers.

HUSKIES DOWN SANTA CLARA FOR SEVENTH WIN

By RALPH JUHL

The Washington Huskies baseball team won its seventh straight league game Tuesday at Centerville against Santa Clara—again by a one-run margin—7 to 6. This puts the local team in undefeated position at the end of the first circuit of a two-circuit season.

Pitcher Gene Bramwell went the full eight innings for Washington, allowing only six hits.

The Huskies had a tough time fielding the ball throughout the game. When it was over they had made seven errors to the Panthers' three.

Santa Clara started off the game by scoring one run in the top of the first, but were followed up by a four-run hitting barrage by the Huskies.

Elizarrey led the locals in banging out four hits for five times at bat.

At the end of seven innings, the score was tied 6-6.

The Panthers went down in order in their top of the eighth. Then, in the finale, Bramwell popped to short. Berrios singled, followed by Elizarrey with a single. Another by Cicairos scored Berrios from second, to end the game.

SPORTS

BOXING CARNIVAL AT HIGH SCHOOL TONIGHT; 11 BOUTS

Tonight the annual Boxing Carnival, presented by the students of Washington High, will get under way at 8 o'clock in the high school gymnasium.

In previous years the show has attracted many people from the township, and those in charge of the event are looking forward to another repeat, expecting a capacity crowd.

There will be 11 bouts, each having three 2-minute rounds. Coach Hird has been getting the boys in shape and assures a good evening of entertainment.

115-LB. CLASS

The first bout in the 115 lb. class will be Fernando Avila, Decoto, against Manuel Aranda, Alvarado. The others will follow in this order: 130, John Riveira, Decoto vs. Jack Borge, Mission San Jose.

In the next bout you will find tricky Frank Correia against Jim Herring, both in the 180 lb. class. Following this will be a bout between Alex Baca, Decoto, and Frank Saguindel, Irvington.

Veteran Robert Saucedo will take on Joe Leon of Alvarado in the last bout before the intermission. Following the intermission will be probably one of the best bouts of the evening between Merle Runolfson of Newark and Don Pine of Niles, both weighing 175.

Robert Hernandez will then take on eLo Ramirez of Decoto in the 141 lb. class. The 163 pound match will find Len Salvador of Irvington blocking the punches of Ray Bettencourt of Centerville.

Following this will be hard-hitting Ruben Guerra against Jimmy White of Alvarado, both weighing 145. Trading punches in the semi-windup 148 lb. class will be freshman Eusebio Elizarrey and Max Ayala, who fought in last year's carnival.

The last bout of the evening will find Freshman George Pagan of Decoto against Antone Souza of Niles, both tipping the scales at 175 pounds.

VILELA'S SMOTHER CHERRYLAND NINE

Three home runs—by Garcia, Dutra and Chapman—of Vilela's softball team, were too much for Cherryland last Friday evening, when Vilela's won an unexciting game 4 to 2.

Rogers struck out 10 for Vilela, while Hess of Cherryland made only two strike-outs.

Vilela took the lead in the first inning with one run and stayed in front all the way. Chapman and Rogers each made 2 hits. Cherryland had only 2 hits out of the whole team.

PLANS PROGRESSING FOR NEWARK SHOOT

Plans for the Newark Sportsmen's Club shoot to be held at the club's range on May 22 are progressing, according to Publicity Chairman Louie Smith.

Field Chairman Sid Gaunt has selected his crew to handle the competitions, and Social Chairman Manuel Amaral has arranged for entertainment for ladies and for refreshments.

Competition will be trap-shooting, .22 rifle and .22 pistol. There will be no large-bore shooting. Prizes will be hams and groceries.

TROUT PROSPECTS ARE FAIR FOR SEASON OPENING

With their fingers crossed, wardens of the Division of Fish and Game have made their annual advance prediction of conditions that will greet California anglers on the opening of the general trout season this Sunday, May 1.

Weather conditions during the last two weeks of April have had an important effect on early season prospects, the wardens report. They predicted an average of "fair" fishing in the 47 counties open to trout angling during the month of May.

OUTLOOK GOOD

The general outlook is "good" to "excellent" in Butte, Del Norte, Los Angeles, Napa, Orange, Shasta and Tehama Counties; portions of Inyo, Mono, Riverside, San Bernardino, San Diego and Siskiyou Counties; and in Almanor, Arrowhead, Butt, Crowley, Donner and Tahoe Lakes.

Heavy snows or run-offs bring a prediction of "poor" to "fair" angling in Fresno, Glenn, Kern and Trinity Counties; and portions of Inyo, Mono, and Siskiyou Counties.

STREAMS LOW

Lack of water in streams and lakes mean "poor" to "fair" trout fishing in Merced, San Luis Obispo, Santa Clara and Ventura Counties; and portions of Monterey and Riverside Counties.

The May 1 opening applies to all counties except Mariposa, Tuolumne, Alpine, Calaveras, Amador, El Dorado, Placer, Nevada, Sierra, Plumas and Lassen Counties, where the season opens May 30. Almanor, Boca, Butt, Donner and Tahoe Lakes will be opened May 1, as will the Pit River and tributaries in Lassen County.

Bag and possession limit is 15 trout, salmon or Rock Mountain whitefish, or any combination of the three species. Weight limit is 10 pounds and one fish, except that a minimum of three fish may be possessed, regardless of weight.

The May 1 outlook by counties:

Alameda—Fair. Alameda Creek and tributaries downstream from Calaveras Reservoir closed until October 31.

Butte—Good. Most roads in northern part of county should be open to 5,000-foot level. Good stream fly fishing.

Del Norte—Good. Rain late in April should slow up early trout fishing. Regardless of weather, angling for cut-throat trout will be good at the mouths of the Klamath and Smith Rivers.

Fresno—Very poor. Rivers high and muddy. Lakes and streams in higher elevations inaccessible.

Glenn—Poor. Streams high and muddy.

Humboldt—Good. Many streams closed until May 30. Lagoon fishing good.

Inyo—Fair. Except for Crowley Lake, most lakes expected to be covered with ice or inaccessible. Lower stream fishing good.

Kern—Fair. Waters high and roily.

Marin—Fair. Permit required to fish in lakes of Marin Water Company.

Mendocino—Poor. Many coastal streams closed. Trout in Navarro River in poor condition.

Merced—Poor. Water low in limited trout section.

Mono—Fair. Many lakes and streams closed by snow. Hot, Lower Rush, Green, Robinson and Buckeye Creeks fair to good.

Monterey—Poor to fair. Streams in northern section dry for several years. Fair fishing north of Hunter Liggett Reservation.

MISSION SAN JOSE WINS GAME WITH ALVISO, 9-3

By a score of 9 to 3, Mission San Jose's grammar school team of softball players defeated Alviso in their game last week, and so kept themselves in front of their league rivals, Alviso and Warm Springs.

Mission San Jose boys who played were Stanley Caires, Reno Bernardo, DeWayne Hill, Laurence Garcia, Robert Caires, Johnny Welch, Ed Vierra, Fred Utomoto, Charles Neeley and Jessie McGowan.

GIRLS BASEBALL

The Warm Springs Elementary Schools girls' baseball team defeated the Centerville team by a score of 14-17 at a game played at Warm Springs on April 19.

SKATERS' NIGHT

Eighth graders at Irvington Grammar School will hold a skating party the evening of May 12 at Maple Hall, the proceeds of which will be used to purchase a farewell gift for the school. Admission is 50 cents for skaters, 20 cents for spectators.

RODEO TICKETS

A great demand for tickets for Sunday's performance of the 32nd annual Livermore Rodeo, June 11 and 12, indicates that people still love the oldest of all western sports.

Tickets, which are all going on a first-come, first-served basis, should be secured immediately, Director Sam Ray advises. Requests, accompanied by check, money order or cash, can be mailed to P. O. Box 180, Livermore, or calling in person at the Chamber of Commerce office.

So they shall know good music of all nations

Casey Jones, Paul Bunyan, Pecos Bill, Johnny Appleseed . . . all the legendary heroes of America are this year coming to life for children in 2,663 schools through the music of the Standard School Broadcast.

Each week, this program plays and explains good music for an estimated 400,000 classroom listeners. Title of the current course is "American Music and Folklore"... but over the years, music of all nations has been studied and enjoyed. Manuals and other materials are supplied for the use of teachers.

This is the twenty-first year of Standard School Broadcasts. It is our sincere hope that we have helped children in the West know and appreciate the music of the world and understand better its people.

DAY BY DAY IN DECOTO

By GRACE CAMINADA

AT ANNIVERSARY

Mr. and Mrs. Lester Graves attended the 54th wedding anniversary of Mr. and Mrs. Alex Halbrook of Alamo last week.

HAPPY WEEK-END

Mr. and Mrs. Frank Scorpiniti, sons, and Danny Blaylock spent an enjoyable week-end at San Jose.

CONGRATULATIONS

Congratulations to Mr. and Mrs. Alex Flores of 515 Railroad Avenue, who became parents of a baby boy, Roberto, on Easter Sunday. The baby weighed 6 pounds, 14 ounces, and was born in Hayward. The happy grandparents are Mr. and Mrs. Martin Myares of Decoto.

BETROTHED

A marriage license was issued last week-end for Alexander Campours of San Leandro and Isabel Ariza of Decoto.

NOT AGAIN!

Wayne Gonzales just takes play in a rough way. Not satisfied in breaking his arm once, he has finally done it again. He broke his right arm while playing at the school grounds.

PRIVATE GARDEN SHOW

Mr. and Mrs. J. J. Cordeiro motored to San Jose last week to visit Mrs. Mabel Silva, a friend of the family. Mrs. Silva proudly displayed her three peonies which were of various colors and in full bloom. Her garden also contained many assortments of flowers which were beautiful.

PROUD OWNER

Although not a new car, George Cocio is still proud of his recent purchase of a '41 automobile.

HOSPITALIZED

Mr. Joe Abrown is again hospitalized at the S. P. Hospital in San Francisco. He is paralyzed on one side of his body due to a stroke several years ago. Get well soon!

CHRISTENED SOON

Mr. and Mrs. Milton Castro have an adopted son who will be 6 months old the first of May. He will be christened soon as Timothy Jon.

IN DAYTON

News from Sgt. Harvey Hernandez states he is on Wright-Patterson Field in Dayton, Ohio, and hopes to soon join in the sports activities there.

IN LOS ANGELES

Mr. and Mrs. Bradbury spent last week-end at Los Angeles visiting relatives.

DINNER GUESTS

Mr. and Mrs. B. Joseph, Mr. and Mrs. Walter Avilla, Mr. and Mrs. Clifford Johnson, Mr. and Mrs. Tom Robbins of Niles, and Mr. and Mrs. Frank Fields were dinner guests of Mr. and Mrs. Ed O'Mara last week. Prizes were given for the guessing game played.

FATHERS, TAKE NOTE!

Mr. B. R. Joseph of the J. L. Olson Co., took his son and Paul Cardoza, Peter and Diane Merrill to church services Sunday, after which was topped off with a swim at the Hayward Plunge. Say, isn't that an example for all fathers?

HOUSE WARMING

Mrs. Mary Luna was much surprised to see at her new home on Railroad Avenue a group of her friends and relatives last Saturday night. The guests showered Mrs. Luna with all sorts of beautiful gifts. Among those present were: Mr. and Mrs. Tony Deas, Mrs. Rose Duarte, Mr. and Mrs. George Fugundes, Mr. and Mrs. Anthony Knobles and family, Mr. and Mrs. Tony Zacarias, Shorty Jiminez, Mr. Bill Mata and Paul Paz, all of Hayward; Mr. and Mrs. Bill Hill and family of Berkeley; Mr. and Mrs. Jimmy Martin and Mrs. Knobles of Oakland; Mr. and Mrs. Mel Luna and son of Albany; Mr. Dick Hassee of San Lorenzo; Mr. and Mrs. John Mello of Niles; Mr. and Mrs. Bill Williams and family and Mr. and Mrs. Tony Fragulia and family of Newark, Mr. and Mrs. Joe Lewis of Irvington; Miss Esther Abel, Mr. and Mrs. Elmer Peixotto and family, Nettie Luna and Grandma Duarte of Decoto. After opening the gifts, delicious refreshments were served.

TWO YEARS OLD

Celebrating his second birthday on April 20 was Earl Mederos Jr., son of Mr. and Mrs. Earl Mederos of Decoto. Helping him celebrate were Mr. and Mrs. Lester Mederos and sons, Mr. and Mrs. Pat White, grandmother and grandfather, Mr. and Mrs. William Gomez and daughter, Mr. and Mrs. Tony Escalona and twins, Anthony and Gerald and George Malina, uncle. Refreshments, sandwiches and coffee were served after little Earl opened his gifts.

PET PARADE

The annual May Day Pet and Costume Parade will be held Friday afternoon. Prizes will be given for: Pets (1) oddest, (2) cleanest, (3) smallest, (4) largest, and (5) best trained; Costumes: (1) most appropriate for day, (2) unusual; (3) funniest, and (4) fanciest. P.T.A. members will serve as the judges.

FUN AHEAD

Are the Decoto Grammar School pupils in for a treat on May 9? Chico-Dill, the clown, is due to arrive at 10:30 a.m. and perform. Since the auditorium is in use for classes, the inner court of the school yard will be used for assembly that day.

RECORD BROKEN

The annual league game was played at Niles between the Decoto and Niles Grammar Schools. The score was Niles 2, Decoto 1. This is the first game lost by Decoto in about 14 years.

TO SHRINE CIRCUS

Two buses will motor 120 pupils on May 6 to the Shrine Circus. The pupils consist of faithful monitors, honor students, perfect attendance, those in the orchestra, those in the patrol, the School Bee reporters, and the outstanding pupil of each class. Have fun, kids!

MOTHERS, ATTENTION!

Mothers, don't forget the physical examination that will be given to all the pre-school children that enrolled on April 20, 21 and 22. A total of 52 pre-school children which does not represent the entire number, have enrolled to date.

FROM GRASS VALLEY

Mrs. Zadow had her sister, Mrs. Thurston, her niece, Mrs. Sbassi, and her daughter last week-end from Grass Valley.

IN NEVADA CITY

The Faletti cabin in Nevada City was full of activity last week-end as Mr. Al Faletti had week-end guests there, among whom were Mr. and Mrs. Doug Sliva of the Creek Road, Decoto.

SURPRISE PARTY

A surprise party was given for David Janeiro Jr. on his fifteenth birthday last Saturday evening. Those who joined in the celebration were: Mr. and Mrs. Dave Janeiro of Stockton, Mr. and Mrs. Tony Janeiro of Decoto, Mrs. Hazel Bettencourt of the Masonic Home, Mr. and Mrs. Louis Joseph of Hayward, Mr. and Mrs. Davey Luchessi, Mr. and Mrs. Clarence Nevis, Mr. and Mrs. George Banon and son, all of Stockton. The following day a dinner was given for all the guests, also including Mrs. Edith Dias and son and Mrs. Travers of Decoto, and Mr. Frank Woods of Lodi.

FUN IN THE CITY

Last Sunday Alvin Paniagua and girl friend Val from San Jose, and Eddie Delgado and girl friend Alberta of Niles, spent the day in San Francisco. First they attended the Seals-Portland doubleheader at the Seals Stadium, where they saw two exciting ball games with the Seals splitting with Portland. In the evening they went to the Golden Gate Theater to see the Jack Carson show with Marion Hutton. The day was well finished with a meal at the Sea Grotto on Fishermen's Wharf.

IN ARIZONA LEAGUE

Leonard Kelly, local ball player who last year played in El Paso, Texas, is now playing ball for the Bisbee-Douglas Baseball Club in the Arizona-Texas State League. According to reports received here from Kelly, it looks as if he will get to play third base regularly. His manager says Kelly looks good at the bat also and has been hitting the ball long and hard. Kelly started with the Marlo Baseball team in the winter league. Here's hoping another Decoto boy makes good.

LOCAL SPEAKERS

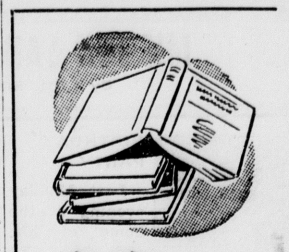
Myrtle Hernandez and Myron Tejada were speakers last Tuesday for the Lions Club at the Washington High School and on Thursday for the Rotary Club at the International Kitchen in Niles. Miss Hernandez spoke on the benefits of physical education, while Mr. Tejada spoke on woodshop and its works.

LEARNING TO SAVE

The pupils of the Decoto School are learning that a penny saved is a penny earned. Every Tuesday the pupils are putting their extra pennies in the saving accounts opened just this past week. There were at least 109 accounts with the 5th grade class of Miss Monteseno having the highest number of accounts.

AT COUNCIL MEET

Mrs. Margarido and Mrs. E. Cardoza attended the Phoebe A. Hearst Council meeting on April 21 at San Lorenzo. At that meeting it was announced open house would be held on May 1 at the school for handicapped children of Southern Alameda County. All persons interested in this school are invited to attend.



At the LIBRARY

By ELAINE HOWE

We may live with poetry, music and art,
We may live without conscience and live without heart,
We may live without friends, we may live without books
But civilized man cannot live without cooks.

To continue my dissertation on food cooked to the queen's taste—or anyone's taste. Swedish cooks have an innate flair for cooking and take infinite pains with color schemes and flavor combinations. For mouth-watering proof of this statement try "Modern Swedish Cookbook" by Anna Coombs. A feature is the section on smorgasbord delicacies. The author is a dietitian with food values in mind—also a healthy respect for one's pocketbook, a positive virtue in a cookbook.

Then there is "Concha's Mexican Kitchen Cookbook" by Catherine Stokes. This is prefaced by menus for special occasions as weddings, christenings, birthdays. Then follow all the soups, meat and other special Mexican dishes.

Many housewives face the deadly problem of daily lunches. Florence Brobeck has the situation well in hand, and in "The Lunch Box" presents ideas for novel sandwich combinations as well as soups and cooked dishes to vary the monotony.

Another with an international flavor is "Around the World Making Cookies" by Josephine Perry. It really covers the globe with many countries and sections of America represented by more kinds of cookies than I knew existed.

Florence Brobeck has another useful item in "Cook It in a Casserole." There are whole dinners made in a casserole in considerable variety, also a section on chafing dish menus.

GIRL SCOUT NEWS

The Newark Girl Scouts are again active. They reorganized this month with 14 active girls. Mrs. Ann Castro is their leader and Mrs. June De Knoop is assistant.

The girls went on a hike and also went to visit the local bakery shop. They are making tamborines and are going to make candy for the Newark Carnival, as well as learning to folk dance for the May Day at the high school.

If any girl is interested in Girl Scouting, she is welcome to join.

Members of the Alviso Girl Scout Patrol who were stationed at the Machado Corner store to sell cookies to make up for the deficiency in the community chest drive sold more than their quota of cookies. Each girl was credited with badges for their work. Girl Scout Leader Mrs. Lydia Orsetti wishes to thank the public for being so cooperative with the Girl Scouts.

REBEKAH NEWS

Anna Bradford, district deputy president of District 53, accompanied by her marshal and members of her staff, paid an official visit to Pleasanton Rebekah Lodge Monday evening. Niles Rebekah Lodge and the Rebekah Lodges of District 53 will hold a reception for Mrs. Bradford tonight (Friday) at Odd Fellows Hall, Irvington.

Mr. and Mrs. V. J. Hescher and Mr. and Mrs. Wm. D. Cull attended the installation of officers of Beta Theta Rho Club 26 at Sunnyvale, Tuesday evening. A large delegation of Rebekahs from Niles Lodge and members of Necona Theta Rho Club will attend the installation and dance of Mt. Diablo Theta Rho Club 71 at Concord tomorrow evening.

America's first newspaper was established in 1704.

MRS. AMARAL IS NEW PRESIDENT OF HIGH P.T.A.

Mrs. M. E. Amaral is the new president of the Washington High School P.T.A., following elections held at the regular meeting last Thursday, April 21.

Other officers elected are as follows: first vice-president, Mrs. G. G. McClain; second vice-president, Mr. Stebler Loze; secretary, Mrs. Bea Chivers; treasurer, Mrs. John Smyrl; historian, Mrs. Emma Doane; auditor, Mrs. Stella Benbow; delegates, Mrs. George Scamman and Mrs. Reginald Calhoun.

Mrs. Bea Chivers had been appointed at a previous meeting of the board as a delegate to the State Convention in Los Angeles from April 24 to 28.

Following the business of the evening, Mrs. Roland Bendel gave a book review of the popular book, "Cheaper by the Dozen."

B. P. W. C. TO HOLD INSTALLATION DINNER

The Business and Professional Women's Club of the township will hold its annual installation meeting and dinner on the night of Monday, May 9, at the Presbyterian Church in Centerville. The affair will start at 7 p.m.

Reservations may be made with Mrs. Carmelita Freitas of Irvington before May 2.

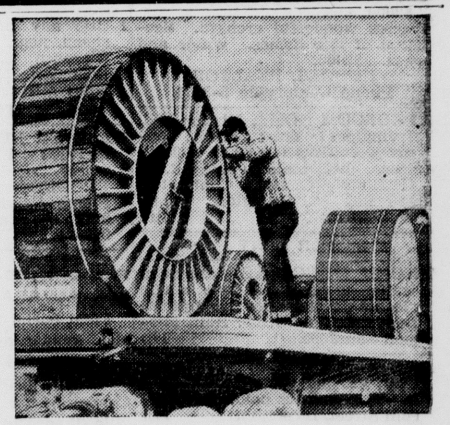
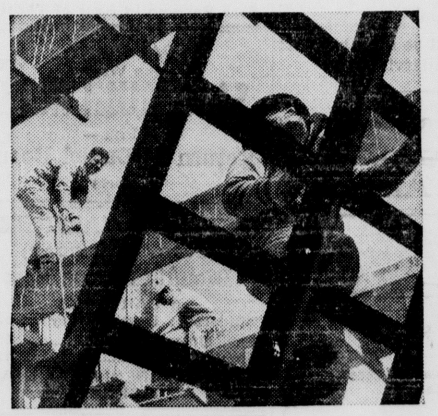
HOW MANY COAST JOBS WERE BORN

Pacific Telephone's construction program has made work for countless thousands and added to the West's postwar prosperity



1. **When you see** telephone cable on its way to work, you're watching the West benefit in two important ways. It means new voice highways for the West . . . more telephones . . . better service. It also means jobs and paychecks for the men who make the cable, those who install it and, later on, those who maintain it. And putting in new cable is just a small part of our building program.



2. **Hundreds of new buildings** mean work for carpenters, bricklayers—and work for those who provide the materials. They mean future jobs for telephone people. Since the war, we've put half a billion dollars to work in new construction. Much of it has found its way in ever-widening circles into the economy of practically every city and town in the West.

3. **More business for the baker,** the druggist, the clothier — telephone construction has given the West a big postwar lift. There's no way, of course, to trace all the jobs created by just one mile of cable . . . or one building. But it would probably be hard to find a family whose income has not benefited, in some way, from the money we've spent to provide more service.

4. **It all adds up**—this tremendous building program—to a better West for all of us and better telephone service. You can help yourself to the best possible service, too. Such things as making sure of the right number before you call and giving the called party plenty of time to answer help make your telephone a better servant.

KLATAWA NEWS

At the regular meeting of Klatawa Council 251 of Niles Thursday night, plans were formulated for a pot luck dinner to be held May 4 at 6:30 in the I.O.O.F. Hall, to which our families are invited. The committee in charge is composed of Aileen Franzen, Harriet Kaiser and Jeuelle Goulart.

Plans were also made to have Great Trustee Opal St. Claire of Antioch as our official representative of Great Pocahontas Marie Frayer of Santa Barbara, in June.

After the meeting a baby shower was held by the members of the council for Mary Marin. The tables were beautifully decorated with spring blossoms and stork favors. Delicious refreshments were served.

LARGE CROWD AT THETA RHO RITES

Seventy-five guests were present at the installation ceremonies of the Necona Theta Rho Club last Friday, April 22, in the I.O.O.F. Hall in Irvington.

Among the guests were representatives of the Mt. Diablo Club No. 71, with their advisor, Lyllis McClain. Ruth Bettinger, past president of the Theta Rho Assembly of California, was present with some of her girls from Sigma Tau No. 92 of Santa Clara. Girls from San Jose No. 1 attended with their advisor, Bessie Bettinger, a member of the Theta Rho Board of Control. The guests also included parents and friends of the Theta Rho Girls and several members of the Rebekahs.

Delightful entertainment was provided by Dolly Mottershaw, Veronica and Helen McElvain, Betty Sue Barker and Diane Roeding. Refreshments were served by the Rebekahs.

MISSION SAN JOSE NEWS

By LOIS BOTTENBERG

Lois Bottenberg

BIRTHDAY PARTY

Last Monday evening at the home of Mr. and.. Mrs... Ed Chambers, several friends met to have birthday cake, coffee in honor of Jo Chambers.. entering upon a new year. Her daughter Jerry, who was her birthday present some 19 or 20 years ago, was not home this year, the first time since she was a tiny tot, being away in San Francisco at St. Mary's Hospital training for a nursing career. Grace Meyer and son Rich, Grandmother Boggini, Glenn and Lois Bottenberg, Beverly, Ronnie and Ed Chambers, John Recends, and her sons, Clarence and Lawrence, were present for the eats.

RECUPERATING

John Rogers, brother of Tony, Ed and Edith Rogers, was brought home from his cabin in Niles Canyon last week in a very serious condition due to a near attack of pneumonia. He is now recuperating at the old home on Niles-Mission Highway and coming along fine. He has been out riding with his brother, Tony, in the warm sunshine.

IN WILMINGTON

Betty Lou Bramwell and brother Eugene, spent the Easter holiday in the south at Wilmington and brought home their little niece, Miss Tankersley, who spent several days here.

HOUSE GUESTS

Mr. and Mrs. Bill Jibson of Niles, former Mission residents, had as their guests her sister and family from near Los Angeles, over the past week. They all went to El Cerrito on Saturday where they visited with Bud, Collen and Cynthia Gail Justus. Colleen is a former Jibson.

HAPPY BIRTHDAY!

Our own Miss Abbie Sunderer had a very happy birthday on Thursday, April 21, when relatives from San Jose, the McGinleys and many friends dropped in to wish her "Many Happy Returns of the Day." She is our grand little white haired "Over 80" lady who is such a smiling and happy person in spite of the fact that she is confined to her room most of the time. Warm summer weather is coming, Abbie, so get out among the beautiful flowers in your gay garden.

AT GARDEN SHOW

Mrs. Alois Schneider and family motored to Oakland one evening this week to attend the Garden Show.

MORE BIRTHDAYS

Some more birthdays for the past week are: David Lee Cross, son of Mr. and Mrs. Daniel Cross of Durham Road; Mrs. Edith Smith, owner of the Guadalupe Inn; Robert Baker, who celebrates today with a party for a few friends in San Jose. He is the chauffeur for Dominican Sisters.

SAD PASSING

Many years ago when I first came to the Mission, when the new wing at the Mother House at Dominican Convent was being built and dedicated, I met a sweet little old sister (I thought and later found out she was mother superior) who seemed almost too tiny to be real, and today I learn that she has been called to her final rest. So another sweet soul, "Little Mother Seraphina," has served out her time in this old world of ours.

BARN DANCE

Have you seen those cute posters around the township? If not you will in a very short time for the Mothers Club of Mission San Jose is sponsoring a barn dance at the I.D.E.S. Hall on May 7, which the public is invited to attend. Admission is 60c, including tax, jeans and cottons the attire, and a regular barn scene will meet the eye. Doughnuts and coffee and soft drinks will be available for those who feel the need of refreshments (for a fee). The posters are being made by some of the club members and the folk dance group. The proceeds of this affair will go to the purchase of uniforms for the Junior Safety Patrol, which is becoming well organized and competent. They entered the marching competition at Livermore last Saturday.

BABY SHOWER

Queen Rosemary rules again, but this time not over the Sesquicentennial Fiesta but over a lovely baby shower given in her honor by her mother, Mrs. Rose Telles, her sister, Mrs. Dolores Andrade, and sister-in-law, Mrs. Margaret Telles.

Mrs. Rosemary Telles Tucker was presented with a beautiful corsage for the occasion by the hostesses and presided over the affair, as much a queen as she was two years ago when she served in that capacity for the one hundred and fiftieth anniversary of the founding of Mission San Jose De Guadalupe.

The table was decorated in table cloth, napkins and plates to match, a large bouquet of pink snap dragons in the center, two storks, and near each end of the table were a baby buggy vase with roses and tiny white flowers and on the other end a pair of baby shoes (vase) with the same. A pink and white cake with "hope it's a girl" was also in evidence.

Bingo was played for the evening and, following the opening of gifts, the guests were served sandwiches, cake and coffee. They were: Arlene and Mrs. Havanna McNemar, Ann Hendriques, Eleanor Furtado, Mrs. Gomes and daughter, Mrs. J. Feleciano, Rose Garcia, Lois Bottenberg, Gweneth Larson of Sunol, Cecile Hess, Minnie Abreu, Ann Andrade, and the three hostesses.

ANNUAL BALL

Don't forget, the Mission Firemen are giving their 19th annual ball at the Newark Pavilion on Saturday evening, April 30, with the Jive Bombers furnishing the music. Remember what a slick time is usually had so come along and join the fun again this year.

WHAT'S THIS?

Oh yes, and by the way, they dared me to put it in print, but here it is, "Sister Dolores stayed awake all evening."

LINDA VISTA OPENS

Linda Vista Park, playground of Southern Alameda County at Mission San Jose, will open the season on Sunday, May 1, with the Associated Oil Company as the first picnic of the year. All Sundays, Saturdays and holidays are filled until October. Andy Hynes, owner of the park, says this will be the biggest season yet.

ESCAPES INJURY

Mrs. Margaret Bunting, owner of the Mission Hereford Ranch, escaped what might have been a very serious accident Monday, with only scratches and a bruised leg to show for it. Thank goodness. Mrs. Florence Thompson, whose husband is employed at the ranch, had gone for the mail and upon returning parked the car. It started to roll backwards down the hill. The emergency was set but it was moving anyway. Mrs. Bunting ran to the car, opened the driver's door and about that time a large rock came directly behind her leg and the door of the car pinned her to the rock. Mrs. Thompson got into the car and drove it forward to extricate Mrs. Bunting.

SEX EDUCATION FILMS TO BE SHOWN HERE

Two films on sex education in schools will be shown to township parents on next Monday evening, May 2, at 7:30 o'clock, in the Visual Education room of the local high school, under the sponsorship of the Washington High P.T.A.

Mrs. Grace Ricketts of the Alameda County Board of Education will show the films, which have been used extensively by schools in Oregon to promote the study of sex education. They are entitled "Human Growth" and "Human Reproduction."

The clergy, members of various civic organizations and all parents are urged to attend this showing.

FOOD SALE BENEFIT

Tomorrow (Saturday) the Cub Scout Den Mothers of Centerville will hold a dessert food sale at Norb's Sport Shop between 10 o'clock and noon. Mrs. Kenneth Pettibone is chairman of the affair, proceeds of which will be used for Cub Scout work.

BIG TURNOUT FOR MEN'S CLUB DINNER

An enthusiastic assembly of close to a hundred township men, attended the dinner meeting last night of the Washington Township men's Club, at the Veterans Memorial Building in Niles. Ed Enos, new president, presided.

A troup from the Tivoli Theater, secured by Bill Helm, provided the lighter entertainment for the evening.

Dr. A. E. Baker, principal of Castlemont High School in Oakland, spoke on "The Negro Problem in California."

Jack MacGregor, outgoing president, was presented with a gift, with a suitable presentation speech being made by Harry Weber.

The dinner was served by the American Legion Auxiliary of Niles.

FROM GUAM

Chief Warrant Officer Paul Harter arrived home from Guam last Friday.

BUFFET SUPPER

Mr. and Mrs. Edward Mara were hosts to a group of friends at a buffet supper last Sunday at their home on Canyon Heights Drive. Those attending were Mr. and Mrs. Frank Fields, Mr. and Mrs. Tom Robbins of Niles, Mr. and Mrs. Walter Avilla, Mr. and Mrs. Bernie Joseph and Mr. and Mrs. Clifford Johnson of Decoto.

NEW CLASS

Mrs. Edward Mara will supervise a newly organized beginners' class in folk dancing. The group will hold its first meeting tonight in Pleasanton and will meet on alternate Fridays in the grammar school auditorium.

WEEK-ENDERS

Among the week-end guests at the Bill Jibsons on Stenhammer Drive were Mrs. Jibson's brother, Mr. . A. Bonham and son, Elliot, of Los Angeles. Another brother, Mr. F. W. Bonham, arrived with Mrs. Bonham and daughter, Sharon, and will spend a week with the Jibsons before returning to their home in Los Angeles.

FOUNDATIONS COMPLETE

Principal Jack MacGregor reports that all foundations have been poured, preparatory to putting in the plumbing and radiant heating connections for the new grammar school at Newark.
